

What opportunities do you see for the library?

Answered: 25 Skipped: 1

Showing 25 responses

Continued growth in the offering of outdoor programs for adults and children.

2/15/2020 4:40 PM

Keep using the pool of talent that is available in our community and offering services and help with programs for kids (which are a huge help and excellent), families, teens, adults and for seniors and those that are struggling. I hope you can keep collaborating with the county and other organizations.

2/13/2020 11:26 AM

Possibility for Homebound delivery because we have residents without the ability to travel to the library.

2/10/2020 3:30 PM

There is such a plethora of activities, classes, item, technology that I can't think of additional opportunities.

2/9/2020 5:37 PM

More programs for adults, maybe even more social than educational. Speakers and authors whenever possible.

2/8/2020 10:09 PM

Reaching all age levels

2/8/2020 1:48 PM

The opportunities that I see for our library is the ability to listen and act on what we hear our community needs. Because of those requests we are able to make connections to different organizations that we may not have otherwise thought of.

2/7/2020 12:20 PM

1. A bigger library 2. More classes 3. Free passes to various museums and places. This is offered by the Library in Ft. Collins

2/7/2020 7:03 AM

Continued effort to serve as the hub of the surrounding communities/building developments.

2/6/2020 1:04 PM

Solar.

2/6/2020 12:53 PM

You are valued and supported by the community, visitors and grant funders. Expand to the small building by the POA.

2/6/2020 6:48 AM

I am uncertain as I have no feeling for the majority demographic being served.

2/5/2020 10:14 PM

Organized literacy programs at the library - preschool, school age, teens, technology driven literacy, reading facts vs. opinions.
evaluating internet sites

2/5/2020 4:01 PM

Obtaining more funding from outside the community. Library staff members are pursuing these opportunities.

2/5/2020 10:38 AM

Solar power, awesome opportunity for folks to have access to WiFi, computers, programs ect.

What opportunities do you see for the library? (Library staff, volunteers, board) Page 2 February 24, 2020

2/5/2020 10:35 AM

Opportunities arise all the time, and it seems the library responds and seizes those opportunities. Willingness and openness to change is by far the biggest opportunity.

2/3/2020 1:02 PM

Emergency hub -- which is in train. Some more technical classes for kids in STEM learning -- using our 3-D printer more, coding, VR technology, Minecraft and other programs as tools rather than as entertainment.

2/1/2020 7:06 PM

the chance to help with even more of the communities needs

1/31/2020 9:59 AM

providing space for additional activities and resources for the community, e.g. mental health screenings, services, support group activities

1/30/2020 11:13 AM

The library can continue to grow and become more indispensable to the Village.

1/30/2020 10:53 AM

None. You all do do much for our community o

1/29/2020 7:58 PM

I think the solar grant will be cool! Would love to see other programs and improvements that could happen with grants.

1/29/2020 5:24 PM

Growth in space. Perhaps a branch area in GVM . Continuing community involvement.

1/29/2020 2:27 PM

To continue to reach the community as a meeting place especially young people as they are the future of the library

1/29/2020 2:07 PM

Improved infrastructure; small branch units to improve service; increased online components as area telecommunications improves; Continued resource development.
