As an occasional visitor I do not have the insite as to weakness. Staffing at library would be more knowledgeable about weakness and improvement potentials

need larger selection of periodicals??? I really am stretching here...I don't see any weaknesses...given it's size I think it has a great selection of books....but there are NEVER enough books ;)

Idk

2/17/2020 5:54 PM

Not enough people in the area to participate in Library special events or programs. I feel sorry for authors that come and only 3 people attending.

2/17/2020 1:42 PM

Lack of adult computer classes available

2/17/2020 1:37 PM

Can't think of anything.

2/17/2020 12:36 PM

The only weakness would be it's small size, but I think that it does meet the needs of the community.

Space?

2/12/2020 10:24 AM

The meeting room could be larger.

2/11/2020 4:34 PM

Personally I haven't identified a weakness.

None spring to mind.

2/11/2020 12:34 PM

None

2/11/2020 10:21 AM

None really...but if communities continue to grow....you will outgrow your space!

2/11/2020 9:51 AM

None

Small building used for many different purposes. Book collection is limited (but inter-library loan compensates for this). Noisy.

2/11/2020 7:54 AM

keeping current

2/10/2020 11:45 PM

Lack of space to expand the library.

2/10/2020 9:59 PM

I am not in a position to visit the library very much, so it is hard for me to advise about that.

2/10/2020 7:54 PM

No quiet area

2/10/2020 7:33 PM

Are we outgrowing the space?

2/10/2020 7:07 PM

None

2/10/2020 7:01 PM

Not much. Maybe slightly more seating? Sometimes it is quite full and it would be nice to have a spot to sit.

2/10/2020 6:35 PM

probably need more space

2/10/2020 6:33 PM

It is a model for our country. Could be bigger and include and assume more civic responsibility.

2/10/2020 6:22 PM

I can't say I've seen anything to call attention to.

2/10/2020 6:18 PM

2/10/2020 5:57 PM

2/10/2020 4:11 PM

none that I can think of, I live in De Soto KS, so maybe you are too far away, but that is not a weakness of the library as it is me not living in Colorado yet

2/10/2020 3:57 PM
