

Presidents Report—July 21, 2020

Thank you all so much for your show of confidence in electing me President of the Friends of the Red Feather Lakes Community Library! I feel honored to serve this last year of my term as President of this esteemed group of dedicated community members.

I welcome our 3 newest members with enthusiasm and know they will all be wonderful assets to our board!

Thanks to Nancy Casadevall for all your work in getting our membership drive up and running with wonderful results already.

Our other main fundraiser this year will be our online auction and progress will be substantial after the committee meets as planned on the 22nd.

We do have a wonderful asset to our community in our Red Feather Lakes Community Library and I admire the way the staff has pulled together during this time of pandemic to keep it functioning in a way that continues to serve the needs of the community.

Our Friends Board will continue to do everything possible to support our fine library. We will persevere!

Thanks to Rebecca for enabling us to meet via zoom and thanks to all of you for your patience as I work to fulfill my duties as President.
