

This should be improved:

There is too much clutter in rooms meant for their original purpose.

nothing

Nothing at this time.

I miss the art displays and programs in the Stenzel Room.

Overall, for a rural library RFL is way above anything I have used in the past. More current movies overall would

CAN'T THINK OF ANY GRIPES!

It would be great to see more in person kids options for socialization

Don't mess with perfection!

Selection of fantasy. Etc. But the library serves a smaller population and we don't mind waiting to have items sent. So, nothing really needs improvement.

Additional tech support of all kinds. Perhaps programs about changing tech that are difficult to catch up with and

I can't think of anything except I wish the library had more room. I really miss the book sales the way they used to

Utilize the space better such that book stacks are more spread out, DVD columns spaced apart, and computers are not all together. The meeting room doesn't make a lot of practical sense anymore since other options are

The availability of the genre of books I enjoy reading is poor. Always have to do inter-library loan which is fine... just wish there was more of a selection - especially newer novels.
More magazines

Keep up the good work.

Would like to see more current movies on dvd

Nothing! Amazing place!
