

Have a Red Feather Mountain Business?

Here is what the RFL Library can do for you ...

High-speed stable internet, both inside and parking lot access 24/7

Office services: printing, copies, fax, and scanning – laminating and notary

Library computer and tablet access, both in-house and available for loan

Other electronics: DVD/Blu-Ray player, VHS player, portable drives

Recreational and educational resources for all ages: easy readers, STEM kits, DVDs, books, resource backpacks – and more

Community programming

9am-5pm 7-day a week service

Space for computer or quiet study

Library referral: answering questions from users on local resources (businesses, restaurants, and other services (e.g. plumbing or an electrician), gas stations, groceries, and more

Referral to the library: as the only public bathroom for many a mile we welcome business recommends
