

Ready Set Go!

Red Feather Lakes Library

- Ready Set Go! will focus on STREAM (science, reading, technology, engineering, art, and math) and physical activity.
- The program is on Thursdays located at the RFL Library and RFL POA (across from the library).
- To have the school bus drop your kid off at the library, you let Rachel know and she will let you know what to do. It takes about 2 weeks to process.
- You are responsible for picking up your children or arranging a pickup at 4:30 at the RFL POA or the RFL library.

We have high behavioral expectations and require a willingness to learn new skills and subjects. Please let your child know they need to be prepared, have fun, and give their best !

- Staff members and volunteer(s) will be present each day.

Thursday Schedule (times are approximate and are adjusted as needed)

3:15 -3:25 Physical activity to get students ready to focus

3:25-3:40 Snack (provided by RFL Library and grant through Bohemian Foundation)

3:40– 4:20 Fun with different science projects, engineering, experiments, art projects, mediums, and whatever fun we can come up with.

4:20– 4:30 Cleanup, Closing, Physical activity.

If your child has any food allergies please let us know on the release waiver.
