Note: I am not finding May Sarton's As We Are Now in any library, but it is on Amazon. RFL Library is ordering it.

Note: Demon Copperhead is 546 pages, so give yourself time to read it. It is a take-off on David Copperfield by Charles Dickens. Some reviewers suggest reading Dickens book ahead of time.

Other Books Suggested:

Our Missing Heart by Celeste Ng

Four Winds by Kristin Hannah (suggested by Doris Miller)
