

Red Feather Mountain Library District ART DISPLAY FOR RUTH'S GALLERY POLICY

Reviewed and adopted by the Red Feather Mountain Library Board of Trustees, March 10, 2026

- I. The Red Feather Lakes Community Library accepts showings from individual artists and groups of artists. Often the Library will invite area artists to present an exhibit. Artist or group solicitations will be reviewed but not necessarily accepted. While the works of local or regional artists are preferred, presentations may be from other sources.
- II. Once a given display has been approved, the Library Director reserves the right to determine the appropriateness of items to be included in the display and may accept or reject any or all items intended for display.
- III. Potential artists and exhibitors should note the following:
 - A. Ruth's Gallery is a prominent part of the library, accessible to families and children, and this should be considered when choosing works to exhibit.
 - B. Artwork must be mounted in designated Ruth's Gallery locations, consisting of wall-mounted items and smaller items in the library's glass display unit that can safely be displayed.
 - C. Ruth's Gallery is not intended to be a commercial venue and prices are not posted. Artist contact information is a welcome part of the display. Business cards are acceptable.
 - D. It is the responsibility of the artist to install and remove the show.
 - E. Artists are strongly encouraged to create and post statements or other descriptions of the show or themselves.
 - F. The Library assumes no liability in case of damage or theft.
 - G. Shows can run up to two months in duration. However, variances may occasionally be made to accommodate reasonable public use.
 - H. The dates of artwork installation and removal will be noted in the Artist Display Agreement.
 - I. Artists will read and sign the Artist Display Agreement Form and receive a copy of that document.
 - J. Artists or groups are encouraged to confirm their show with the Library one month in advance.
 - K. Though occasional exceptions may be made, artists or groups are limited to one show per year. Preference will be given to artists or groups whose work has not been displayed in the previous year.
